

Hello Preschool Families,

Welcome to the 2023-2024 school year! I am beyond excited to be sharing this journey with you and your family. My name is Wendy Bartolovich and I am the new Early Childhood Coordinator for the ESCWR. I will be supervising preschools at Berkshire, Cardinal, Fairport, and West Geauga this year.

I have been a special education teacher for the past seventeen years, fifteen of which have been for Chardon Local Schools. My first two years of teaching were in Trumbull county in an Autism unit. Before teaching, I was the Director of Chardon Community Day Care Center helping families with children ages birth through 12 years old! I started my special education career at Metzenbaum as an assistant many years ago too, so I am so excited to be back supervising those preschools. I live in Chardon with my husband, two teenage children, our dog Dottie, and goldfish Star. We love to go camping, travel, and kayaking.

The preschool staff have been busy preparing for the upcoming school year. They are excited to welcome you to their programs and can not wait to support your children's needs and watch them grow throughout the school year!

- ★ Beginning of the Year Parent information sheet
