

Dear Families,

Welcome to the 2023-2024 school year! I would like to introduce myself. My name is Maureen Boros and I will be your child's teacher for the upcoming school year. My educational background includes a Bachelor's degree in Early Childhood Education and a Master's Degree as an Intervention Specialist. I also hold an endorsement in Reading. I have worked with children for 15+ years and absolutely love what I do!

I want you to know that your child will be provided a wealth of opportunities to grow in all developmental areas. The Twinkle staff provides a safe, caring, and nurturing environment meeting the individualized needs of your child. Our classroom is structured to support and encourage independence.

Each month we will send home a newsletter with tentative activities for that month. The activities are tentative based on the interests and direction the children take throughout their learning. The Ohio Learning and Development Standards provide guidance for our activities/tasks. The calendar will also include the days the children receive Occupational Therapy (OT), Physical Therapy (PT), and/or Speech and Language Therapy (SPL), per your child's IEP.

If you are new to my classroom, I look forward to meeting you and your child. If your child is returning to my classroom, welcome back! I strongly believe in a partnership between teachers, families, and therapists. I know we will have an amazing school year!

This year we will use the Remind App. to communicate. You will be sent an invite. It is much like a text. I will have office hours on the app, with times I can be reached. If you have any questions or concerns do not hesitate to email me at mboros@escwr.org, until the app is set up.

Sincerely,
Maureen Boros
