EMPLOYER SPOTLIGHT

Heinen's Fine Foods Chagrin Falls Location

The ESCWR Job Training Program is excited to have several new employment partners this quarter. Our long standing partnership with Heinen's continues as the Chagrin Falls store welcomed students this quarter. Students are working to stock shelves and check expiration dates in the grocery department. In the bakery, students are preparing and packaging beaked goods.

We would also like to extend a thank you to two of our other new employment partners, Yours Truly in Chagrin Falls and the Bainbridge Giant Eagle. Students are enjoying the opportunities to explore careers and develop their skills in the workplace.

FAMILY ENGAGEMENT FOR TRANSITION AGE YOUTH

This series will give parents and families a forum for open dialogue and discussion on various topics relating to the unique process of transitioning students with disabilities age 14-22 from the educational environment to their life beyond school.

GMATT (Geauga Multi-Agency Transition Team) brings together several independent agencies and seeks to support student achievement and post-school success by providing resources, guidance, and education to districts and families of school-aged transition youth.

Inspiring Learning Through Innovation

Purpose of the Course:

The purpose of the job training program is to provide a work environment where students can practice employability skills and learn job tasks in the community.

This elective course offers half and full day work experience for students who are ready to practice their employability skills at a community job site along side paid employees.

Students who work a full day have met all academic requirements.

Students work at different job sites throughout the school year. These job sites are determined by the employers needs and the results of the student's age appropriate transition assessments.
