

# HI!

# I'm Ms. Gali

Welcome to our preschool family!

I am thrilled to be your child's preschool teacher and look forward to an exciting year full of growth, learning, and fun! I can't wait to see what this school year has in store for us! We will be engaging in a variety of activities that promote social, emotional, cognitive, and physical growth. Through play-based learning, hands-on experiences, and interactive lessons, we will explore various subjects such as literacy, math, science, art, music and so much more.

Communication between home and school is essential to ensure the best possible experience for your child. I encourage you to reach out to me with any questions or concerns you may have via ClassDojo or email. My email is: [jgali@escwr.org](mailto:jgali@escwr.org).

A little bit about Ms. Gali: I was born and raised in Northeast Ohio. I have my bachelor's degree in Early Childhood and Early Childhood Intervention Specialist from Ashland University. Once I graduated college, I moved to Kissimmee, Florida where I taught kindergarten for four years. After enjoying the Sunshine State, I moved back to Ohio. For two years, I worked with twice exceptional students as an intervention specialist. This is my fifth year as the Early Childhood Intervention Specialist at Jordak Elementary School.

I currently live in the South Russell area. I have a dog named Sadie and a cat named MC. I enjoy reading, baking, gardening, traveling, and spending time with family and friends.

I look forward to an amazing year together as we learn, create memories, and celebrate milestones.

Sincerely,  
Ms. Jennifer Gali
