

Dear Families,

Welcome to the 2024-2025 school year! I would like to introduce myself, my name is Kim Ianiro. I will be your child's Twinkle teacher for the upcoming school year. My teaching background is made up of more than 30+ years of teaching. I started my career teaching kindergarten and moved on to becoming an intervention specialist for the past 24 years. I have a Bachelor's degree in Elementary Education and certification areas of K-8 and as a Mild/Moderate K-12 Intervention Specialist. I enjoy working with children of all ages by helping them learn, grow and succeed. I am looking forward to working with you and your child this year. Together, we will partner to encourage and guide your child's learning.

Your child will be provided with a wealth of opportunities to grow in all developmental areas. The Twinkle staff provides a safe, caring, and nurturing environment meeting the individualized needs of your child. Our classroom is structured to support and encourage independence.

Each month we will send home a newsletter with tentative activities for that month. The activities are tentative based on the interests and direction the children take throughout their learning. The Ohio Learning and Development Standards provide guidance for our activities/tasks. The calendar will also include the days the children receive Occupational Therapy (OT), Physical Therapy (PT), and/or Speech and Language Therapy (SPL), per your child's IEP. We are fortunate to have support as we grow and learn.

This year we will use the Remind App. to communicate. You will be sent an invite. It is much like a text. Office hours will be listed on the app, with times I can be reached. If you have any questions or concerns do not hesitate to email me at [kianiro@escwr.org](mailto:kianiro@escwr.org), until the app is set up.

Sincerely,

Kim Ianiro
