14:23:15 From Moira Erwine-ESC of Lorain County : Thank you for offering this virtually.

14:33:53 From Tricia Ebner : Brian.Bickley@education.ohio.gov

14:34:24 From Kara Putinsky : kara.putinsky@education.ohio.gov

14:34:29 From Jocelyn Kilpatrick : Will we have access to the slide show after the presentation?

14:35:00 From bill bosheff : Will this Meet-Up we linked on ODE's Website?

14:35:07 From bill bosheff : be

14:35:07 From Tricia Ebner : This will be recorded and placed on the ESC of the WR web site.

14:35:25 From Tricia Ebner : I believe it will be linked on ODE's web site.

14:35:42 From bill bosheff : TY:)

14:36:09 From Belinda Thomas : Please show your emails again at the end.

14:39:30 From Jocelyn Kilpatrick : Ty

14:45:59 From Jocelyn Kilpatrick : I can't open the Gap Analysis Tool for ELA from the ODE website. It says there's no associated app to open it. Can you help?

14:46:32 From Mahailey Albain : Try the link again. It opened in Excel for me.

14:55:39 From wendy nashu : Can we get the links for ELA too.

14:56:12 From Rhonda Wilson : Will we have access to these links after the webinar?

14:56:26 From Kara Putinsky : ELA doesn't have critical areas of focus. This would be our vertical alignment and the model curriculum.

14:56:53 From Matt Page : Are the critical areas assessed more often on the State assessments?

14:56:56 From Tricia Ebner : The chat is being recorded and will be shared as well. You'll be able to find the links in the chat transcript.

15:08:55 From Amy Frederick : Is the Gap Analysis document (Excel spreadsheet) only available for ELA & Math teachers? Or are documents available for other content areas as well (like Social Studies and Science)?

15:10:03 From Tricia Ebner : There are gap analysis spreadsheets available in science and social studies.

15:10:26 From Brian Bickley (ODE) : Yes. I can put those links into the chat in a moment. I need to find the links ;)

15:13:44 From Terri Barton : Hoping all the slides and links will be available in the recorded version.

15:15:34 From Tricia Ebner : If you would like to save the chat to have immediate access to the links, click on the three dots to the right side of the "To:" here in the chat box at the end of this session.

You'll be able to click on "save the chat" and then have your own copy of the chat immediately, rather than waiting for posting on the ESC web site.

15:21:16 From Matt Page : Do you know when the reset/restart planning guide will be available?

15:21:18 From bill bosheff : Do we know anything about State tests?

15:21:24 From Marissa Merk : Has any school started this process yet or have you worked with schools on implementing this process? What were some roadblocks and what were some successes?

15:21:33 From Brian Bickley (ODE) : Restart/Reset document release date TBD

15:21:34 From Terri Barton : yes would like to know the status of state testing

15:21:40 From Belinda Thomas : I cannot find the 3 dots that save the chat links.

15:22:43 From Anne : Will students in EOC courses last year need to test?

15:23:14 From Anne : such as algebra I students

15:23:18 From Terri Barton : We collected an excel spreadsheet of standards not taught last year. The Gap Analysis tool will be good to compare or enter our info onto it. TY.

15:23:21 From Karen Zutali : Belinda, in a box at the bottom right of the chat.

15:23:30 From Annika Moore : Belinda, to the right of where it says "Everyone" in the place above you would write in the chat. They are light, but they are there,

15:26:03 From Rhonda Wilson : Do you have links for those open text sites? I can't find them.

15:26:32 From Mahailey Albain : Audio books can be found here: <https://librivox.org/>

15:26:48 From bill bosheff : Do we know anything about some of the free Covid-Related Impact Resources from vendors being extended into SY 2020-2021?

15:27:48 From Anne : Is the geometry EOC test to be given for sophomores next year?

15:27:55 From Mahailey Albain : e books here: <https://ebookfriendly.com/free-public-domain-books-sources/>

15:28:07 From Tricia Ebner : We are getting some background noise - please be sure you are muted unless you are planning to ask a question.

15:28:48 From Kristen Earich : One challenge we experienced was scheduling for the different levels. The HS teachers seemed to dominate the times in the morning leaving time in the afternoon for elementary students - not good for little ones with short attention spans!

15:30:02 From Annika Moore : Kristen, that needs to be discussed within each district.
