- ONE- 24 pack of crayons
- TWO- glue sticks
- ONE- container of Playdough
- ONE- art box

WELCOME

Dear Families,

Welcome to the 2023-2024 school year! I would like to introduce myself. My name is Jessica Powers and I will be your child's teacher for the upcoming school year. My educational background includes a dual degree in Early Childhood Education and Special Education as an Intervention Specialist. I also hold an endorsement in Reading. I have worked with children for 8+ years and absolutely love what I do! I grew up in Chesterland and now live here with my two year old son.

I want you to know that your child will be provided a wealth of opportunities to grow in all developmental areas. Our preschool staff provides a safe, caring, and nurturing environment meeting the individualized needs of your child. Our classroom is structured to support and encourage independence.

Each month we will send home a newsletter with tentative activities for that month. The activities are tentative based on the interests and direction the children take throughout their learning. The Ohio Learning and Development Standards provide guidance for our activities/tasks. The calendar will also include the days your child receives Occupational Therapy (OT), Physical Therapy (PT), and/or Speech and Language Therapy (SPL), per your child's IEP.

If you are new to my classroom, I look forward to meeting you and your child. If your child is returning to my classroom, welcome back! I strongly believe in a partnership between teachers, families, and therapists. I know we will have an amazing school year! If you have any questions or concerns do not hesitate to email me.

Sincerely,
Jessica Powers

Dear Parents:

Spills and accidents can occur in school. Please send in a complete change of clothes for your child.

They will be stored in the classroom for when they are needed.

Please send in

- Shirt
- Pants
- Socks
- Underwear

Also if your child is currently in diapers, please make sure you send in a package of diapers and wipes on the first day of school. PLEASE LABEL WITH YOUR CHILDS NAME. Throughout the school year, we will send home reminders when their supply is getting low
