## **Summer Programming Survey**

<b>ESCWR Summer Transition Supports</b>	<p>The ESCWR is working to prepare summer programming for students in our district to help with the loss of instructional time due to COVID-19. An interest survey has been sent separately, but a link to that survey is also below for your convenience. We welcome any input or suggestions to programming we can provide to assist our districts.</p> <p><a href="#">District Survey</a></p>

## Preschool

<b>Registration</b>	<p>Preschool registration is open for the 2020-2021 school year. Interested parents can find information and access registration packets on <a href="#">our website</a>.</p> <p>Our preschoolers in our Geauga county programs have been joining in with Miss Carol on Movin' with Music live on Facebook every Wednesday morning at 9:30. You can find Miss Carol on Facebook at Geauga County Early Intervention: Play, Learn and Grow.</p> <p>Mrs. Robinson's virtual ZOOM yoga class was a hit with her preschoolers and their families in her Perry preschool class. She has had requests to make it a regular part of her online classroom!</p>

## Special Education Programs

<b>Jordak - Building Resilience in Children (BRC)</b>	<p><a href="#">BRC teacher Leslie Bucklew was featured on News Channel 5.</a></p>

## Alternative Schools

<b>Carrington</b>	<p>Carrington School transitioned to distance learning effective Monday April 6. Students communicated with teachers via web conferencing and participated in class instruction using that format.</p>

## Mental Health Support

<b>Prevention</b>	<p>The YAC (Youth Advisory Council) students are actively seeking ways to help their classmates during this stressful time. They have organized a way to distribute mental health "help " materials by coordinating with several local school district food distribution systems. They are including a resource card attached to a copeline wristband to be delivered with the meals. Just another example of how youths rise to the challenge when they are invited to be a part of the solution.</p>
<b>Social Workers</b>	<p>The ESC Social Work Team is working hard to meet the many social emotional needs of the students they serve. They have been working with district administration and intervention specialists to maintain their level of care. Understanding that all students are experiencing more stress these days, the team is including a couple of resources to help all in the days and weeks to come.</p> <p><a href="https://www.google.com/amp/s/www.today.com/today/amp/tdna177177">https://www.google.com/amp/s/www.today.com/today/amp/tdna177177</a></p> <p><a href="https://www.google.com/amp/s/amp.cnn.com/cnn/2020/04/06/health/how-to-celebrate-easter-passover-ideas-coronavirus-wellness/index.html">https://www.google.com/amp/s/amp.cnn.com/cnn/2020/04/06/health/how-to-celebrate-easter-passover-ideas-coronavirus-wellness/index.html</a></p>
