

Dear Families:

Welcome to the 2024 – 2025 school year! My name is Rachel Hill and I will be your child’s teacher this year. I am so excited to be joining the Twinkle Preschool team! I have a Bachelor’s Degree in Early Childhood Intervention (Age 3 – Grade 3) and have years of experience in both school age and preschool intervention. My passion for education comes from my own personal experience of having speech delay and a learning disability. This experience has made me want to become the teachers and Interventionists I had growing up.

Your child will be provided with enriching activities throughout the day to promote growth in each developmental area. Our centers based program is designed to help each child gain independence. The classroom environment will be a safe and nurturing environment designed to meet each child’s needs.

Each month, a tentative calendar of events will be sent home. These activities are based on the Ohio Learning and Development Standards, our curriculum and the interests of the children. A daily communication report will also be sent home with your child each day. This report goes over how much your child ate, if/how often your child used the bathroom, what centers they played in, if they took a nap, a small comment section from us and if we need any items to be replaced (clothes, supplies, etc.). This is to give you a snap shot of your child’s progress and what they have been enjoying in the classroom.

I am excited to meet you and your child! Once I have my email address and communications set up, I will give you information on how to reach me.

Sincerely,
Rachel Hill
