

edcite:101

February 15, 2017

Grades 7-12 —AM Session —7:45-10:45

Grades 3-6 —PM Session—11:45-2:45

Intended Audience: Teachers, Principals, Instructional Coaches, and Curriculum Directors

Engage your students with interactive assessments that mirror the **AIR** test items. edcite is a web-based resource that allows teachers to develop online formative or summative assessments and activities that resemble Ohio 's online **AIR** state test.

Teachers can begin by learning how to copy available assignments (**AIR** released items), edit them, and assign to students.

Presenter: Arlo Brookhart, Trumbull County Educational Service Center

Participants should bring a laptop.
